

# Jewellery CARE

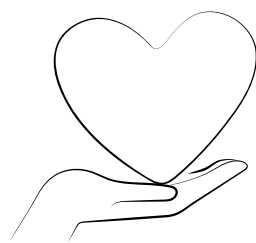

HOW TO BEST CARE FOR POLYMER CLAY EARRINGS

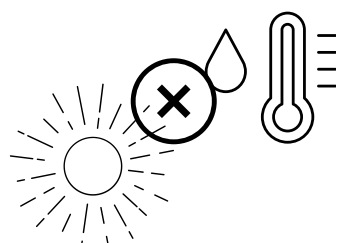

Wipe clean with a non-abrasive cloth and dry thoroughly

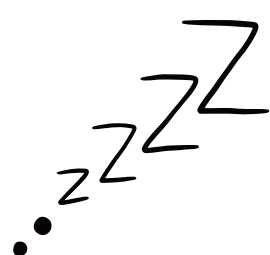

Avoid using chemicals, perfume, or jewellery cleaners on polymer clay items, clean brass pieces with store-bought brass cleaner or natural methods

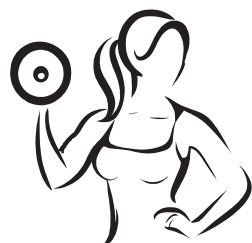

Handle with care, avoid dropping as products may become damaged and/ or break

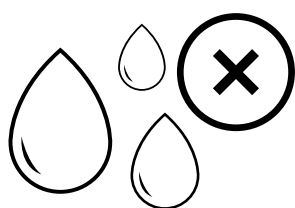

Store in a cool dry place, away from direct sunlight and extreme temperatures

Remove when sleeping

Remove when working out

Remove when bathing, showering or swimming
